The MASON LINE

by Chon Mason

Tom Warburton, Helix High Vice Principal has just been granted a year's sabbatical leave of absence by the Grossmont High School Board of Trustees. Tom will leave for Columbia or U. C. L. A. at the end of this school year to obtain his Ph.D. We congratulate the School Board for a wise move as this young man who has already done so much for our young people is destined for big things in the educational field. We want him here and the new Lemon Grove High School should be all ready for him to take over about the time he returns.

If you plan to do your last minute Christmas Shopping in San Diego, DON'T! What little parking space was available is now gone. You can do just as well right here with no pain.

—ML—

Roy Davis of Lemon Grove Escrow Service saw a good chance to get free transportation to the home of his mother in Texas over Thanksgiving weekend. He volunteered to pick up an automobile repossessed of the Lincoln Finance.

His plans worked out fine, and everything went along fine—that is everything except the automobile. It broke down near Tucson in the desert and Roy was stranded for eighteen hours without benefit of motherly or wifely care and guidance until some good samaritan carried him into Tucson where he got the necessary repairman to fix the car.

He limped into town as the review went to press last week, thoroughly fed up with cheap transportation.

Kenny Hall and Don Smith just returned from raising merry Hob with the catfish in the Colorado River. Did right well too.

A little better perhaps than the party composed of Preacher Mulkey, Johnny Mulkey, this writer and his two lads did on a recent quail hunting expedition near the Mexican border. We blasted the ozone in a fashion that would have reminded the old timers of Pancho Villa—with about the same results too. But as the Preacher and I reminded our disgusted offspring—it's the joy of being out of doors and the companionship rather than the game one bags that counts. We doubt if that explanation worked but we tried.

Michael's Formal Opening Monday Follows 'Sneak' Preview

About 100 business persons gathered this week to a sneak preview of the opening of three new dining rooms at Michael's.

The local dinner club, completely refurbished and enlarged five times its original size, provided a tropical setting for the awed guest.

The Acapulco Room, the largest of the three was a showcase for the event.

Cocktails and hors d'oeuvres were served in the deep-carpeted room. A long table heavily laden with food greeted the visitors. At one end of the new room is an intimate bar, a dance floor is centered between the two dining sections with an orchestra stand and a tropical garden at the other end. This new room is directly behind Ed Lewis' property which faces on Broadway. As a matter of fact it was built by Lewis for Michael's.

The Coral Room and the Flamingo Room which face into the Acapulco follows the tropical decor also.

The entire event will be re-staged Monday, when a formal opening for the general public will be held.

A plane load of orchids is being flown in from Hawaii for the event. Favors, noise makers, souvenirs and private brand of cigarettes will be distributed to all visitors during the opening. A special program of entertainment has also been arranged.

The dinner club has attracted attention across the face of the nation and is particularly popular with San Diegans.

The club is open every day and evening.

SCHOOL BOND COMMITTEE FORMED

A five man committee was named Tuesday night at a meeting at San Miguel School to set up the machinery for handling the \$550,000 school bond election schedule to come to a vote February 16th.

The bonds would supply 29 additional classrooms for 2,800 additional children. Those

Art Thomas Commended For Red Feather Work

Appreciation for the fine work done by Red Feather United Success Drive volunteers in Lemon Grove was expressed this week by Vice Adm. Wilder D. Baker, USN, ret., drive chairman.

"We are proud of these men and women, working under the leadership of Art Thomas, who have given so much time and effort to help put the drive over the top," Baker said. "They have been doing an excellent job and have raised 25% of the entire Heartland goal of \$18,200. I wish to extend my hearty congratulations."

At last report, Lemon Grove had raised a total of \$4,356 toward its \$5,000 goal.

Art Thomas, Grove chairman, expressed gratitude to Lemon Grove for the response in the drive and to the organizations and their representatives for their hours of time and lots of hard work.

Organizations responsible and their chairmen are: Campfire Girls—Louise Dail; Kiwanis Club—B. L. Netzel and Dan Apra; St. John of the Cross—Mrs. A. H. Osterberg; Masonic Club—Mr. J. Gregory; Woman's Club—Mrs. Beverly Hentigan; Woman's Club Juniors—Mrs. Robert Bailiff; Lutheran Church—Rev. Leroy Elster; Brookside Improvement Assn.—Monteigh Heights Girl Scouts & Cub Pack 8—Mrs. R. L. Zastoupil; Teachers Club—Mr. Keith Dolan; Lions Club—Mrs. Robert Von Willer.

Public Xmas Trees Must Be Flameproof

All Christmas trees to be used indoors in public places must be flame-proofed, Fire Chief "Pap" Hensley warned today.

"It is a state law and the fire department intends to enforce it this year," he said.

The firemen's relief association, however, has arranged to flame-proof any tree upon request. Any proceeds from the work will go to the retirement fund.

Freeway People Near Million \$ In Purchases

More than \$800,000 of a budget of \$1,115,000 has been spent on the Lemon Grove section of the freeway so far by the California State Highway Department right-of-way department, it was announced this week by John Webb, district right-of-way agent.

The money represents 60 parcels of property between Home and Campo Rd., or three-fourths of all the appraisals made to date. "We are moving ahead at a much faster clip than we anticipated," he said. "We have meticulously been paying the going market price for property and we have been able to show the seller that they were getting a fair price in comparison with what similar pieces of property are bringing in the vicinity. Most everyone seems to be satisfied."

State Highway Department appraisers are working beyond Campo and Palm on Bancroft, Webb said.

The Lemon Grove section of the freeway is due to get started early next fall.

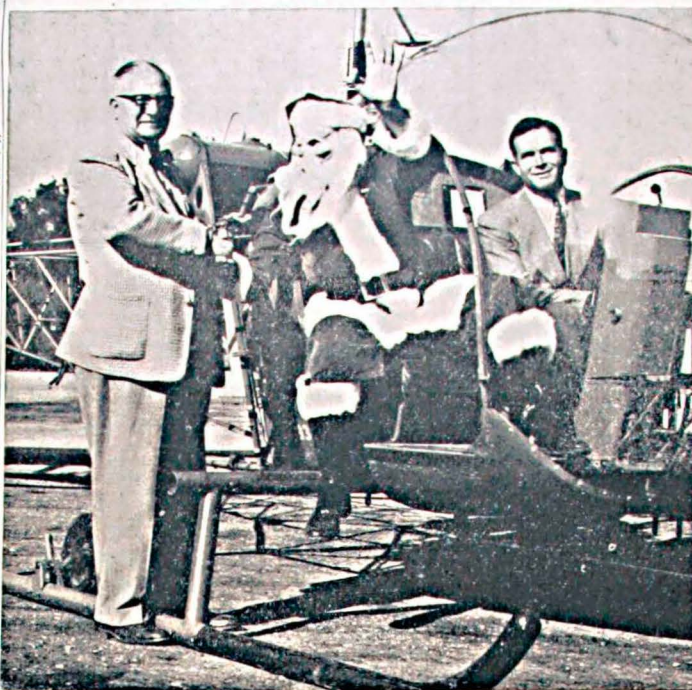

MRS. VERNIER NEW COF C PRESIDENT

Mrs. H. Irving Vernier was elected president of the Chamber of Commerce Tuesday by an unanimous vote at the annual election of officers. Norman Lighthart was named vice-president.

At the meeting four new directors were seated. They were: Robert Browne, Norman Lighthart, Mack Bailey and Bill Nienaber.

named to the committee are: Bert Cosby, John Landesco, Pat Cole, Ed Kinyon and Eleanor Fernald.

The meeting was the first in a series by the Committee On Vote Yes For School Bonds.

Santa Claus is coming to Lemon Grove Monday, Dec. 21, in a helicopter. He will land across the road from the Golden Avenue School on School Lane and Golden at 11 a.m. and every good kiddie in Lemon Grove is invited to watch him come to town.

It will be especially pleasant for the good kids because he is bringing everyone of them a little present made up mostly of candy and suckers and sugar canes, such as little boys and girls get at Christmas time.

He will also include in his gifts packets of S&H Green Stamps which will be given to the kids to give to their mothers and fathers.

A large turnout is expected to view the arrival of St. Nick and the State Highway Patrol will be on hand to keep the kiddies well back from the helicopter until Santa gets on the ground. State Patrolman Bill Howell will handle this part of the work.

Under the direction of Deputy Sheriff Will Rigley, traffic will be expedited to and around the area.

Santa Claus, who is most of the rest of the year, just plain Rev. Dan Apra, will be loaded down with gifts. These gifts will be supplied by Jim Banister, president of the Big Ace Markets, which is now building at the corner of Broadway and Olive. Banister is including S&H Green Stamps which will be distributed by his firm in the packets so that parents too may acquire a pre-Christmas gift.

Cost of the helicopter is being borne by two Lemon Grove firms, the Lemon Grove Lumber Company and McMahan's Furniture.

A special deal was worked out with the La Mesa Helicopter Service which is based at the La Mesa Airport and for a token payment they are making the flight from the North Pole to the school house in Lemon Grove.

Said Hugh E. Ramsdall, the pilot, "We normally charge a very high fee to make helicopter trips such as this, but since it is in the interest of getting Santa Claus into Lemon Grove a little ahead of other surrounding towns, I made a special deal with the REVIEW."

In the photo above, rehearsing for his arrival in Lemon Grove is Santa Claus shaking hands with Stephen Westover of the lumber firm, with Ramsdall seated at the controls.

Sales Tax Cards Available

A limited supply of sales tax cards are available at the office of the REVIEW. These cards are handy for retailers and show the tax charges on sales up to \$50. They are available without cost as long as the supply lasts.

P.T.A. Xmas Event

Monterey Heights P.T.A. executive board met Dec. 1st at the home of Mrs. Vance Dittamore.

Mr. Louis Poluzzi gave a report on the summer recreation program which is being planned for the Lemon Grove area.

Plans for a safety campaign for the children were discussed.

Grove Boasts Tallest Christmas Tree

Lemon Grove again lays claim to the tallest decorated Christmas tree in the state, as workmen this week completed the decoration of the star pine at the corner of Golden and Imperial.

The tree, located on a corner of Sonka's property is estimated to be well over 80 feet in height and is easily visible from the approaches of Lemon Grove either by way of Imperial or Broadway.

The decorating of the tree is a project of the Chamber of Commerce but is being paid for by Lemon Grove business firms by popular subscription.

Dwarfed in size but not in splendor is the decorated live tree of the Business Women's League located north of Broadway along the railroad tracks. The tree with clever Christmas packages beneath it is carefully guarded by a large snowman. Large electric candles form a graceful foreground.

Mrs. Gladys Jones and Mrs. R. M. Lockhart were appointed chairmen of the Christmas decoration committee.

POST OFFICE TO BE OPEN EVENINGS

Lemon Grove Post Office will be open every night until 7:30 p.m. for Christmas mailers from Dec. 14 to 19, according to "Frenchie" Faucher, postmaster.

INSTALLS NEW SAFETY EQUIPMENT

Installation of nationally famous Manbee equipment, which is used in testing dangerous conditions of frames and wheels of automobiles has been installed by the Thomas Garage at 7579 Broadway.

The new equipment readily analyzes conditions of autos and evaluates lack of stability and weave and wander in cars. These conditions are usually advertised in advance by wear on wheels. Equipment is the most modern in the area and checks for camber, toe, caster, king pin inclination and various turning radii.

In the photograph above are: Dick Bryant, representative of San Diego Spring and Brake Works, outfit for the Manbee equipment; Jim Thomas, who with his father, Ira, operates the Thomas Garage; Deputy Sheriff Will Rigley, whose interest in the equipment is from a safety point of view; Cooper Lipshild, Manbee factory representative.

The equipment is in use now and drivers in the area are invited to bring their cars in for a free test.

Cypress Widening To Be Pushed Says Joe Mack

A total of \$341,592 has been budgeted for construction and maintenance of roads in the Lemon Grove area, Joe Mack, county road superintendent, told a record turnout of the Lemon Grove Men's Club, Friday, but \$275,000 of it, or about 80% will be used to construct 1.6 miles of University between La Mesa and San Diego.

Mack also said that his men were surveying an extension of Skyline which would eventually hook up with Kempf and that they would attempt to start acquiring rights-of-way by mid-summer.

"I still think that Cypress ought to be improved because the traffic count is extremely high over that road," Mack said. Residents along Cypress have twice presented the County Board of Supervisors with petitions asking that their street be left alone.

Fred Hansen, chairman of the county planning commission, was also a guest at the meeting and recalled the earlier days of the Men's Club when it met in the basement of the Catholic Church in Lemon Grove.

James Banister, operator of Big Ace Markets, one of which is under construction in Lemon Grove at present, said that he was impressed by the sincerity and cooperation of the members.

Joe Mack, county road superintendent, agreed today to meet with residents of Cypress Avenue in a special meeting at the Junior High School, Saturday at 7:30 p. m.

of the organization and that Big Ace personnel would take an active part in civic matters involving the community once his supermarket opens.

Present at this meeting were Vroman Dorman, Tony Sonka, Bob Von-Willer, Byron Netzel, Dr. McKinney, Steve Westover, James Pearce, Norman Lighthart, Bob Schrader, Kenny Stapp, Grant Hadley, Bill Zilker, Mar Goodwin, Luther Hussey, John Dail, James Banister, Andy Anderson, Fred Hansen, Joe Mack, Henry Gold, George Casteel, president.

There will be another meeting Friday at Michael's.

XMAS SHOPPING HOURS START THIS WEEK

The Christmas shopping season is officially here.

Business houses begin this week staying open until 9 o'clock every night until Christmas.

The series of advertisements has been running in the REVIEW publicizing the late opening and pointing out the shopping advantages of the Lemon Grove marketplace.

There are no parking meters and no parking problems in Lemon Grove, business firms say, and of course there is no city tax.

Among those who will remain open every night until 9 are: Angel Shop, Roberts Upholstery Shop, Cressy's, McMahan's, C. P. Appliance, Style Shop, Spruce, Reitz 5 & 10, Hairlip Drugs, Patricia's, Lowe's, Tugery, Wigton's, Walters Jewelry, Grove Department Store, Grove Home Auto, Grove Hardware, Lindley's, Druggs, Michael's and the Petite Shop.

Because of the advertised features shoppers are pouring into Lemon Grove from La Mesa, El Cajon, Rolando, Lomita Village, Encanto and the College area, some business firms report.

It is advisable to have the automobile engine air cleaner checked and serviced, if necessary, each time the vehicle is lubricated.

BIG TURNOUT FOR BRANCH HEARING

One of the biggest turnouts of civic minded Lemon Grove residents greeted the County Board of Supervisors Tuesday when the long awaited decision on the County Branch Administration Plan was to have been handed down.

The Board decided to defer its decision until next week so that they may answer several questions posed by the Taxpayer's Association. From the tone of the audience it appeared that La Mesa's objections would be overruled. So

Control Board Approves Youth Rec. Program

The summer recreation program presented by the Lemon Grove Recreation Committee to the Youth Control Board Monday night resulted in unanimous approval and recommendation for adoption.

The program would be made up in three sections; from March to June, part-time programs three nights a week, five hours per night utilizing the service of on part-time paid director; from July to August a full time program from 9 a.m. to 9 p.m., five days a week requiring one full time director, one assistant director and one or more playground leaders; from September to December part-time program three nights a week, five hours a night.

Starting in March the program would include a ball league and other playground activities. The Youth Center would be used for crafts and club programs with dances.

Included in the membership of the Recreation Committee are representatives of P.T.A. group, service clubs, churches, fraternal organizations, women's club, Youth Center Control Board, School District personnel, Chamber of Commerce and Lemon Grove Planning Commission.

Recommendation was made that this program would be presented to the school board at the first meeting in January and asked for the school board to invoke a three to five cents tax which, it is said, they have permissive powers to do, to finance the project which would cost \$4,500 to \$5,000.

The program is being sparke by Bobbie Kraft, Barbara Cohen and the Women's Club Juniors and Mike Calderone and Lou Poluzzi of the School District.

Various organizations will receive pledge cards during the next few days and are urged to fill them in and return them to the Youth Center. The choice of activities that interest them in particular. A complete list of activities will be supplied with the pledge cards.

The program presented to Poluzzi was unanimously endorsed. Lloyd Summerville, commander of the local VFW, presided.

Big Service Club Ball Game Starts Friday

Local service clubs will act to the Christmas festivities what appears to be one of the most unlikely baseball games in the area. The local history who the Lions' vaunted team in the experienced Kiwanis aggregation Friday night, Dec. 11, 7:30 in a do-or-die game under the lights at the Junior High School baseball diamond.

The battle will be for a "p of gold" as each member of both clubs will put up \$1 each and the winner will dedicate the tot to any local charity they wish.

During the past week the battle evolved mostly around two managers. Emmett Marshall, manager of the Lions' team said that his charges were in fine fettle and were championing at 1 bit to have a go at the Kiwanis. His opinion was that his team would win by at least 12 runs.

On the other hand Kiwanis team manager, Jack Durha said that he is fielding one of the strongest teams ever shown locally. While his line-up is va changed over the last few weeks, he played the Lions' earlier in the summer it is generally agreed that it will be a strong one.

The public will have the questionable pleasure of seeing a battle of the behemoths who are enjoying the services of the Lemon Grove Women's Club, who will be circulating among the selling peanuts and popcorn. Members of the Business Women's League who did a bang job of between-inning entertainment, will be on hand again.

The game will start promptly at 7:30 and there will be no mission charge. Everyone, regardless of connection with the club, is invited to attend.

decisive was the evidence sent in favor of the plan Vroman Dorman, key speaker for Lemon Grove, cited not to call upon anyone who had appeared to be prepared to speak. Many who from the community planned to take part in several of the Grove's business leaders and property owners.

"Calling upon our gathering to stand to be counted would have been a thing the illy," Dorman planned.

Organizations represented the hearing were: L. G. Plan Committee, Kiwanis, Lions, Women's League, W. A. Club, Woman's Club, Brookside Improvement Assn., P. T. A., Spring Valley Chamber of Commerce, O'oro Civic Organization, L. Fire Dept. and Auxiliary, School District.

St. Philip's Church Lists Activities

There has been much activity lately at the new St. Philip's Church at Palm and Hardy Road. On November 29 were held the first services in the building. At the 8:30 morning service three adults and two children were baptized by the Vicar, the Rev. J. Philip Bartlett.

In the evening the Rt. Rev. Donald James Campbell, Suffragan Bishop of the Diocese of Los Angeles, confirmed a class of ten. Two others were received into the Church from another Communion.

Last week a gay Bazaar was held by the Women's Auxiliary. The lovely Christmas table, bright with sparkling ornaments displayed on a frosted manzanita tree, centered the room. St. Philip's is taking its place in the community.

Girl Scout News Troop 280

By JUDY TAYLOR
Friday, Nov. 27, the Girl Scouts of troop 280 hiked over to Collier Park from their leader's home on Imperial. Each girl brought a sack lunch and a hot dog to roast. Mrs. Henderson took the firewood and punch to the park in her car. After a day of hiking, eating and fun they arrived back at leader Mrs. Johnston's house at 4:30 p.m.

At the regular meeting Dec. 4 the troop decided to have a Christmas party at the Youth Center on Dec. 19 at 1:30 p.m. Each of the three patrols will be responsible for taking care of either refreshments, entertainment or decorations. Each troop member is expected to bring a friend and a 25c present and all members who don't have their 2nd class badge will put on a play for entertainment.

Grove Teachers Support Scholarships

Members of the Lemon Grove District Teachers Association were among those teachers in the county supporting the idea of four hundred dollar scholarships when the plan was voted at a recent San Diego County Teachers Association meeting. Although no State College education majors from Lemon Grove had applied for the smaller scholarships, many applications were received from students living elsewhere in the county or in the city of San Diego.

Basing the awards on high scholastic ratings and recommendations from college professors, the SDCAT scholarship committee, made up of Art Stone, chairman from Lakeside, Violet Seeman from La Mesa, and Peg Darroch, Lemon Grove, chose four seniors completing work in either the elementary or secondary field.

Recipients were Isabelle M. Bank, graduate of Hoover; Katherine E. Mann, Sweetwater High School; Phil Prokop, San Diego High; and Claudine M. Miller, San Diego High.

The county association is giving four scholarships each year in an attempt to encourage those interested in education as a profession to remain in the field. A critical shortage faces not only the state but also the entire nation within the next few years unless steps are taken by many groups to alleviate the situation.

Civil Defense Notes

By Charles Gurley

A Lemon Grove lady has a chance to gain national recognition, according to a statement made by Mrs. George L. Dickerhoff, Deputy Zone Warden, in charge of children's welfare for this area.

"This lady is Mrs. James A. Martin who had an idea of giving an identification tag to everyone which would show his name, his address and his blood type, which idea she turned over to Dr. Frank B. Gigliotti, our Zone Warden, who liked it so well, he proceeded to have the idea adopted nationwide," explained Mrs. Dickerhoff. "As so far as any of us know locally, nothing has appeared in any of our instruction manuals which makes any mention of an identification tag, to say nothing of it containing the information about blood type."

"We have to refer the matter to our County and State Civil Defense authorities which in turn will do likewise nationally, and we hope word will come back that the idea has been accepted for general use and Mrs. Martin will receive proper credit for her idea which as fundamental as it is, seems to have originated with her."

Try Canned Peas in Chowder

The dishes which become popular family favorites, served time and again, are those which offer heartiness, thriftiness and simple straight forward goodness. So it is with this chowder, an easy-to-make combination of canned peas, cooked or leftover ham and potatoes.

Ham and Pea Chowder is a healthful fall meal-in-a-dish. Canned peas, its basic ingredient, are a real bargain among vegetables since they are ready for eating and include no waste. Both the pea liquid and the peas themselves contain healthful vitamins and minerals. As for the meat, you can substitute frankfurters, canned luncheon meat or Vienna sausage for the ham.

Ham and Pea Chowder

- | | |
|--|------------------------------------|
| 1 large onion, sliced | 3 cups milk |
| 4 tablespoons ham fat, butter or margarine | 1 cup diced cooked or leftover ham |
| 1 1-pound can peas | Salt |
| 2 cups diced potatoes | 1/2 teaspoon pepper |
| 2 tablespoons chopped parsley | |

Add onion to fat in large saucepan and cook until tender, but not brown. Drain peas and add pea liquid to saucepan. Bring to a boil and add potatoes; cover and cook 10 minutes. Add peas, milk and ham. Heat thoroughly. Add salt to taste and pepper. Add parsley and serve.

YIELD: 4 generous servings.

Christmas Party for 8-4s at Jr. Hi

8-4s at L. G. Jr. High are
 planning a Christmas party with
 many kinds of refreshments,
 singing and games.

Far the 8-4s are doing very
 well in their school work. More
 than half the girls in the room
 in the Glee Club, Pom Poms
 and some other kind of activity.

Some of the boys are in the
 quartet. Class officers are:
 La Castellanos, president; Jim
 ity, secretary; Connie Reid,
 first council rep.; Edwin Wro-

Red Cross rep.
 Each student may say awful
 things about our teachers but I
 think isn't a child in the

school who doesn't respect our
 teachers and we have the most
 wonderful principal in the world.

Sgt. Sanchez Earns Army Commendation In Japan

TOMIOKA, JAPAN — M/Sgt. Edward D. Sanchez of Lemon Grove recently was awarded the Commendation Ribbon for meritorious service in Korea during ceremonies at the 229th Ordnance Base Depot in Japan.

Sergeant Sanchez, son of Mr. and Mrs. Alexander Sanchez, 2058 Dayton dr., was cited for work with the 330th Ordnance Depot Company in Korea. He arrived in Japan last July.

Sanchez, who is now chief clerk of the armament division at the 229th's headquarters, has been in the Far East since January 1952. He also holds the Good Conduct Medal, National Defense Service Ribbon and the UN and Korean Service Ribbons.

Future Teachers Guests of C.T.A.

Over one hundred education majors at San Diego State College were hosted Tuesday at the Campus Elementary School by members of the Board of Directors of the San Diego County Teachers Association. The future teachers, following a doughnuts and coffee get-acquainted hour, heard discussion and explanation of professional organizations in education by board members.

Peg Darroch, Lemon Grove District, spoke on the responsibilities of a local association. Arthur Stone, Lakeside teacher, discussed the establishment of local and county groups. Then Gordon Shields of Grossmont High explained the purpose and work of California Teachers Association, followed by Ralph Taylor of the County Office, who talked about professional organizations at the national level.

The meeting was an outgrowth of the county association's attempt to orient new teachers to the profession and to demonstrate to them the work now being done on all levels in the country to maintain high professional standards and professional achievements.

Begonia Society to Hear Professor

Dr. C. C. Cunningham, Prof. of Speech at State College, will give a reading of "A Servant of the House" for the La Mesa Begonia society. We will meet at 6:30 Monday at the Porter Park clubhouse for a Christmas pot-luck dinner.

Mrs. P. P. Lee, president, will conduct the business meeting and an exchange of garden gifts.

ary 1952. He also holds the Good Conduct Medal, National Defense Service Ribbon and the UN and Korean Service Ribbons.

LIONS TO KEEP SALVATION 'POT' BOILING

Members of the Lemon Grove Lions Club, headed by Dr. Donald G. Johnson, will give Santa a hand Saturday, Dec. 19, when they take over the Salvation Army Christmas Kettles throughout the Pacific Beach area to "keep the pot boiling."

The Local Lions Club is one of 16 service clubs throughout the county lending assistance to the Salvation Army's Kettler Brigade manning Christmas kettles. According to Major D. G. Rody, commandant of the San Diego Salvation Army Citadel, nearly 20,000 families and homeless persons in this area will benefit from funds contributed by citizens through the Salvation Army Christmas program.

Christmas checks, baskets of food, dinners, clothing and gift to shut-ins in institutions, in addition to distribution of 30,000 toys to deserving children and entertainment of hundreds more at special Christmas parties will be provided from this year's kettle funds, Rody said.

Fletcher Honored for 32 Postal Years

It was "goodbye" to the post office and "hello" to a perpetual vacation for John W. Fletcher, clerk with the Lemon Grove Post Office last week.

After thirty-two years and thirty days in the postal service he reached the retirement work age and said goodbye to his fellow workers of long standing before retiring to "traveling and fishing."

John, who lives at 4824 Palm Ave. in La Mesa, has served in

eleven different post offices and has worked in Texas, California, New Mexico, Florida, Alabama, Ohio and Iowa.

At 58 years of age he and Dama, his wife, plan to see all of the 48 states. They plan to start this project by the middle of next year. They have no children.

Fletcher has been clerk, city carrier, rural carrier and railway mail clerk.

Quoth he, "It's nice to reach the retirement age and I'm going to take it easy. I have no regrets for the lifetime of work I have spent in the postal service and can honestly say that if I had it to do over I would want the same kind of work."

All of the local post office people had a surprise party for Fletcher at the home of Postmaster "Frenchie" Faucher.

S. V. Wins Grand Prize In Toyland Parade

At last Sunday's Toyland Parade, Spring Valley took home the Grand Prize trophy for the best community entry.

The float, a home with a fire-

Horace Berry holds the Grand Prize Trophy won by the Spring Valley Chamber of Commerce

place, a puppet Santa Claus and three children in night clothes sitting before the fireplace, was the result of many hours work. The float was sponsored by the S. V. Chamber of Commerce, and was constructed by Mrs. Jean Eskridge, Parade chairman and her committee.

Much credit goes to Mrs. R. E. Hitchcock of S. V., who manipulated the puppet Mr. Hitchcock writes the script and operates the Padre Puppets, a show which has been presented in many clubs and service groups around the county.

And the three little children in front of the fireplace (bless their hearts) were: Tommy Danner, Valjean Eskridge and Charlotte Sargent.

The sweepstakes trophy, won by S. V. last year, was won by East San Diego this year.

Lemon Grove entered no float.

Helix Students Win Contest

Two students from Helix High School competed in the "I Speak for Democracy" Contest held December 3 at Howard's in El Cajon. James Swinney won first for Helix and Carol Ann Youngblood took second. Jim's speech will be used in the regional contest by means of radio transcription.

Marilyn Downs won the trophy presented by the Junior Chamber of Commerce for Grossmont for the second time.

Santa Claus Plays Safe

Santa Claus wants to make sure he's healthy before he starts the strenuous holiday season. He's going to have a chest X-ray to be sure he doesn't have TB. Tuberculosis associations, whose work is supported by the sale of Christmas Seals, say every grownup, even Santa, should have a chest X-ray at least once a year.

Gridirony. . . The gorgeous girls who lead the songs, no matter what their theme is, are often in much better shape, than the team is.

Pool Plungers. . . No! I know what you're thinking! And the answer is not The pool is not open. But a pool belonging to Tom Friedkin on his 'estate' on Mt. Helix was available for many students from mixed schools last Friday night. The story goes like this: After the Blade & Edge sponsored dance at the L.M. Youth Center last Fri eve, a gang of the dancers cut out to Tom's pad and tore up with jitterbugging and swimming (at 11.30 at night). The shivering but happy group being: Tom, Jim Beahlsan, Bob Turnbull, Marjorie Quicker, Richard Conde, Diane Ely, Don Leggett, Lorelei & Larry Shaw, Bill Bloom, Betty Jo Soderberg, Carlos Valdez, Shirley Soderberg newly married (congratulations) Eddie & JoAnne Boyle, Ruth Miquaeack, Jay Beecroft, Jinelle Enright, Dan Schultz, Bruce House, Kay Riley and Jim Parsons, Julius Tuite, Don Lewallen, Mike Geddes, Carol Covert and Bill Morley, Dick Skrivank, Curt Cook, Jim Duschell and Judy Peterson, Ron Penison, Ruth Tipton, Lanny Ross and like that. (Attention parents: Don't blame junior or sis for going swimming so late at night after reading this article and seeing their names. After all you only live once and by the time you read this, that party will be chalked up as all in the past).

Interview of a Song Leader . . . Bernadette Medina: Senior—Undecided future—favorite class is the A.S.B. office—she's historian of the Duchess—in the Highland Horizon club—likes to hear Frankie Lane—favorite song is "Little Blue Riding Hood"—pastime is her Ford—likes spaghetti and likes to eat at Perna-carno's—thinks the school is pretty frantic—hopes the basketball teams at least beats Lincoln & Grossmont.

Mind Matters. . . (Q) Should a Mother (Father) insist that Her Son go to College? (A) Not if junior has good (intelligent) reasons for not wanting to spend four or more years in a college.

Xmas Pageant Set for M.H. Next Week

The cast has been chosen for the Christmas Pageant scenes which will be presented next week on Wednesday and Thursday evening at the Monterey Heights School, 8.00. Virginia Cornelius, art teacher who is in charge of pantomimes and all scenery for the concert, announced this week that the following students would appear in the Nativity Scene:

Harriet Collins, 8-6, will be Mary, with Gary Calvert, 8-3, as Joseph. Shepherds are George Feil, Bill Gregory, both of 8-3. Harry Beach, David Anderson Ellis Edenfield, and Lee Birch, 8-6.

The three kings will be represented by Charles Bauer and Alan Rovang, of 8-3, and Ernest Chambers, 8-6. Carol Roberts of 8-5 will portray the Spirit of Christmas.

Ushers for the concert will be Mari Leytonen, Mary Conlee, Johanna Correll, Marilyn Sima and Karen Markuson, of the 8-3 and 8-6 classes.

Tickets are being sold by members of the orchestra and the girls' glee clubs. Those who wish to attend the concert on December 16 or 17 should obtain tickets either from the student salesmen or from the junior high office, as admission at the door may be by ticket only if seats remain.

Three More Trophies Schools Collection

The trophy case at the Lemon Grove Junior High appeared ready to burst apart at the seams when three more trophies were added on Monday morning of this week following the North Park Toyland Parade. Participation or special awards were given to the band, the pom pon corps, and the majorette corps.

Paul Cheatham, music director of the schools here, has done an outstanding job with the young musicians who range in age from ten years to fourteen years. Drum major of the pom pon corps is Karen Markuson of 8-3 class. Martha Valdez is band drum major and Marjorie Lyons is drum majorette of the corps.

Results indicate that these methods should produce fresh water at attractive prices under conditions which exist in some parts of California." FORTNIGHT MAGAZINE.

MENU NEWSREEL

An ancient order of monks once used Pretzels to reward children for good behavior. Today, you can reward all the family and your guests, too, by serving crisp pretzels with every course. They come in many different shapes, including regular pretzels, miniature pretzels, nuggets, rods and sticks.

With Appetizers: Pretzels are really good with tomato and fruit juices and add zest to the flavor of your favorite salad. Place several pretzels on each individual serving plate.

With Soups: Serve always-fresh pretzels with all your soups. They give just the right touch of salty crispness that brings out the true flavor of your favorite soup. Heap pretzels in two or three bowls placed conveniently around the table.

With Fish and Meats: Fish and oysters, shrimp and lobsters, naturally take to the salty crunchiness of pretzels. Serve the pretzels on your bread and butter plates. (They are good, too, when crushed and used in the stuffing of roast duck, chicken and turkey.)

With Desserts: Have you ever tried eating pretzels with ice cream, pies, or fruit desserts? You will be surprised how pretzels, with their large salt crystals, accent the flavor of your best desserts and make them taste better. Arrange the pretzels around each dessert plate.

So be sure to stock up with a good supply of pretzels in a variety of shapes for use with all your meals. Scientific, modern packaging keeps them fresh and crisp and ready to eat at any time.

Ken Stratton in Hi-Y Conference

Ken Stratton, member of the Lemon Grove Hi Y, was among county-wide delegates who attended the Second YMCA Youth and Government Pre-Legislative Conference at Pepperdine College in Los Angeles, Saturday.

Stratton reported that boy governor, John Jordan of North Orange presided. Practical sessions in bill presentations were provided the delegates who will also be in the Capitol at Sacramento February 18 to 20.

Ken is a junior at Helix High School and resides at 1640 Bakersfield.

San Diego Destined For Army Base . . . 1910

This was Army life in San Diego about 1910, when Fort Rosecrans, at the tip of Point Loma, figured prominently in the nation's coastal defense plans. This photograph from the historical collection of Union Title Insurance and Trust Company shows an Army camp on the eastern edge of the Point Loma military reservation 43 years ago.

Fort Rosecrans had its beginning in 1852, when Congress set aside land on the southwestern end of Point Loma for Army use. Growth of the fort was slow and it was not until the late 1890s that gun emplacements and major fortifications were completed.

With the advent of World War I, facilities were expanded greatly and the fort was used as a training center and replacement depot.

Following a few quiet years, the fort was revitalized at the beginning of World War II; fortifications were strengthened and 100,000 troops passed through Fort Rosecrans on their way to battle fronts.

The once-powerful installations on the historic fort have been somewhat outmoded by the Atomic Age, but since 1947 Fort Rosecrans has been the scene of National Guard and Army Reserve Forces activity.

Woman's Club Notes

By MRS. FRED SCHENEMAN

Mrs. Frank Eldridge, recording secretary of the Lemon Grove Woman's Club, will entertain officers, directors and section chairman at a pre-Christmas luncheon following a meeting Thursday in her Spring Valley home.

Miniature gift glasses of jellies made by the hostess, sparkling in their cellophane wrappings will designate place settings at the ingeniously decorated table, emphasizing a Yuletide atmosphere throughout the house.

Attending will be Mrs. David Hentigan, president; Mrs. Paul Harvey, vice president; Mrs. Charles Furer, treasurer; Mrs. H.

CONFER ON STRATEGIC MET

MEETING BEFORE HEARING of Senate subcommittee on strategic materials, Senator George W. Malone (R, Nev. (left) and Air Force Secretary Taibott discuss serious shortage of titanium which officials say threatens American airpower. (Internationa

E. Havens, corresponding secretary; Mrs. Charles W. Brown, immediate past president; Mrs. Hal Crow, parliamentarian; Mrs. H. J. Warner, Ways and Means; Mrs. Ralph Richardson, house chairman; Mrs. A. C. Bourquin, Senior advisor to Juniors; Mrs. H. Irving Vernier, Book Section; Mrs. E. L. Johnson, Arts and Crafts Section, with her co-chairman Mrs. Fred Johnson; and Mrs. Alvin Berquist, Evening Section.

Mrs. Eldridge, who will be unable to attend the Club's Christmas party as she and her husband will spend the major part of the holidays in Los Angeles, Long Beach and Lynwood, where they will be feted at a round of parties, arranged the affair to extend the season's greetings to her co-workers.

At Friday's meeting the "Callettes" from Helix High School will sing carols preceding a reading of the Christmas Story in the clubhouse.

A food and plant sale will follow, conducted by Mmes. R. Drollinger, R. B. Hayhurst, A. Lemke and A. P. Schnell, a her committee; concluding with a tea at which Mrs. H. L. Elson, chairman, will be joined by Mmes. R. B. Kalanquish, Magnusson and Jack Foster.

Davis Affords Insurance for Insurance Family

"We are insurance-minded because my husband sells insurance. That is the reason we feel Davis Food Center is good insurance against the high cost of living," says Doris Gaughen, 3362 Fairway Drive, Brookside.

Shown shopping with her at Davis Market this week are husband, Dick, and their 8 year old son, Tommie. Dick has been with All States Insurance for 2½ years.

The Ghughens said that in addition to comfortable low prices, the market seems to handle only quality foods and nationally known brands.

"I am simply amazed whenever I enter their produce department, so appetizing. And the service is the best I have ever experienced. Tommie eats a lot of meat so we naturally do most of our business in Davis' meat market."

Davis produce trucks go directly to the farmers, which means their produce is fresher and lower priced because no middle man is involved.

an Miguel Chapter O.E.S. No. 10, held installation of 1954 officers in Friendship Hall recently. The hall, decorated with beautiful fall flowers, was filled to capacity with friends and relatives of the officers. A group of town guests were in attendance. Dora Gray and Cal Trumble poured coffee, and sandwiches and cookies were served after the ceremony. The Bible was carried in by Worthy Matron Callie Noble, escorted by Elizabeth

Parsons and Alvera Murphy. Address of welcome was given by Dora Gray and Rev. Dan Apra made the invocation. Soloist for the evening was Velma Ambrose, organist, Vernal Thomas. Installing officers were: Mildred E. Bell, Edith Bralley, Tom Parsons and Jennie Morse. Honorary officers were: Flag Bearer, Harold Murphy; Secretary, Hadie Hadzar, P. G. Matron of the State of Montana; Chaplain, Jennie Morse; Marshall, Willa Mae Drake. Lioness Add More Glamour

If, after their December meeting, the Lemon Grove Lionesses aren't the most charming women in Lemon Grove, it probably will be their own fault. At the last meeting, which was a dinner meeting at Michael's, Toni Tacoma, who is head of "Fashion-

ality," a charm and modeling school in San Diego, gave a very interesting and informative talk. The December calendar for the Lioness Club holds three important dates for its members and the Lions. Dec. 11 is the date set for the Lion-Kiwanis ball game, Dec. 18 is the annual Christmas dinner-dance and Dec. 30, of course, the Lion's New Year's Eve party.

El Cajon to Remain 'Business Route'

State Division of Highways has no objection to designating El Cajon Blvd. as a "business route" if the highway (U. S. 80) is relocated to Alvarado Canyon Rd., the San Diego Chamber of Commerce was advised today by G. T. McCoy, state highway engineer at Sacramento.

School District To Have Advisory Group

A lay advisory group to assist with school matters, particularly the school election in February, went into the formation stage last week when letters were sent to presidents of all service clubs, civic groups, fraternal organizations, patriotic groups and religious groups.

Major objective of this organization would be to gain information about school matters particularly the school bond election called by the board of trustees to be held February 16.

A meeting was held Tuesday at the San Miguel School at which functions of the bond election committee were explained. Representatives of various groups were selected to serve. Other than the organizational

Children's Society Places 65 Kids In Homes

The Children's Home Society, which maintains offices in San Diego as well as other cities in California, said that during the past twelve months a total of 65 children, who otherwise might have experienced long delays, have been placed for adoption through this cooperative system.

A total of 33 children on a minority basis were placed by the society for adoption during the first eight months of '53. This compares with only five in 1949. During the first eight months of this year 16 older children found homes, as compared with four in 1949.

ys for Tots' ve Ends Tuesday
Today will be the last date the Lemon Grove collection for Tots.

Don Dolence, manager of McMahon's where a toy collection center has been set up, said that the First Tank Battalion of the Marine Corps Reserves under whose sponsorship the project is being handled, had had a successful year last year and that it appeared this year the project would be even more successful.

The battalion will come to Lemon Grove and pick up all contributions on the 15th. A few days prior to that, on Friday the 11th, a Marine Corps sound truck will drive thru the area soliciting toys via loud speaker, and thanking local residents for contributions already made.

The Salvation Army will re-finish and fix all toys before they

Eighth Graders Decorate Library

If the library in Lemon Grove looks especially attractive this month, credit can be given to the eighth grade art classes from the Lemon Grove Junior High School. Under the direction of Virginia Cornelius, art director of the school, the students have completed crayon etchings, still life drawings, wire sculpture, mobiles, modern string designs, and color designs. These will be on display at the Golden Avenue library all during the month of December.

Camellia Society Meets Friday

President Vessel of the San Diego Camellia Society has announced that Mrs. J. R. Kirkpatrick will address the meeting Friday at 7:30 p.m. in the Floral Building, Balboa Park. Mrs. Kirkpatrick is recognized as one of the finer flower arrangers and has spent many years conducting private classes and conducting courses in horticultural schools and floral societies.

Everyone is urged to bring their camellia blossoms for this exhibit. Blossoms will be expertly judged and awards will be given. Visitors are cordially invited.

Mar Vista drops Helix. . . Mar Vista High School, of the Metro League, dropped Helix in a non-league basketball game a day or so ago, winning 37-29. High point men for Helix was Stillings (1) with 10, while Wolfe (6) for Mar Vista scored 11.

Pasadena Slips Past Helix in a Thriller. . . Invading Pasadena High downed a stubborn Helix 51-52-47, Thursday fore last in a non-league basketball game. The game was close all the way and even though Helix lost, fans and takers didn't go home disappointed.

Feature Athlete. . . I'd like to write up a feature athlete this week who starred in football. Although the grid-iron season is finished it's still not too late to tell you of a fine guy and a swell player (leather skin as the case may be). He is none other than a 6 foot, 2 1/2 inch, 195 pound senior by the name of Frank Morgan. "Big More" was born on September 15, 1936, in McConnellsville, Ohio. Frank transferred to Helix from San Diego High just in time to gain a varsity letter in baseball last year. Now he's confining his talents to the diamond squad, in preparation to blanket the outer garden. His special interests are swiss steak, mashed spuds and gravy, also a girl with the initials of J. T. Frank, who is 1-64 Cherokee Indian, plans to enter college and become a minister, following his father's footsteps. (My thanks to Doug Bwy for help in this particular paragraph).

BWL Gain Two More Members

The Business Women's League held their regular dinner meeting at Michael's December 3rd.

Mr. Lewis Poluzzi from Monterey Heights gave an informative talk on the proposed school recreational program for next year. Another guest of the day was Mrs. Melford Hagen from Miller, South Dakota.

Two new members were welcomed into the club: Mrs. Ralph Morse and Mrs. Henry Overgaard.

The Christmas tree that was planted last year by the B.W.L. has been decorated this year by members of the league and the Auxiliary as a Christmas gift to the community.

We wish to thank Mr. Haugdahl of the Custom Wire Mfg. Co. for the frame work on the snowman, also Mr. Bob Von Wille, Paul Louer, Bruno Leonasio, Graydon Roberts and Charles Carlson.

The next meeting will be a luncheon meeting at Michael's December 17th. There will be an exchange of gifts, also members are reminded to bring food for the Christmas basket and clothing for the adopted family.

Community Show Shaping Up Well

The Heartland Players' rehearsals for "A Christmas Carol" are going along at a fast clip. The right person for the part of Tiny Tim has finally been found in Dorothy Hentigan, the third member of that family to be added to the cast.

The Woman's Club Juniors committee, headed by Jo Ann Davis, is working very enthusiastically with Santa Claus for the children's performance on December 20. And their enthusiasm as well as ours mounts every day, with good people getting into the spirit, such as Klingman's Dairy donating milk for hot cocoa, to be served at the adults' performance on December 21. The Heartland Players hope that with all this interest that a Christmas play may become a yearly community project.

Golden Avenue School News

Mrs. Mason's second grade children took a trip to the San Diego Fire Station at 10th and B Streets last week, where firemen demonstrated how signals are received and how following procedures are carried out.

Mothers accompanying the class included Mrs. Joseph Szalay, Henry Anderson, Ralph F. Lower, and Robert E. Snow.

Afternoon third grade classes at the school were guests of this second grade when Forest Ranger Gordon of the California Division of Forestry showed films on conservation and fire prevention. Following the picture and discussion, Mrs. Mason's pupils sang "Smoke" and thanked Mr. Gordon for his pleasant and informative talk.

At a recent exchange visit of fourth grade children and teachers to the Alba Roja School in Tijuana, Senor C. Armando Luna, principal, Lemon Grove District personnel enjoyed a tour of the school, visitations to classrooms, and an assembly program. A tasty Mexican dinner climaxed the exchange visit.

Teachers included Robert Harvey, Robert Masters, Martha Samels, William Firtch, Mike Calderone, and Lockey Palmer. Private cars for the excursion were provided by Evelyn Lauritzen, school principal.

Bob Moore Joins 7th Div. in Korea

7TH DIV., KOREA—Pvt. Robert E. Moore, son of Mr. and Mrs. Willard Moore, 3645 Vista ave., recently joined the 7th Infantry Division in Korea.

Men of the "Hour Glass" division are undergoing intensive training to maintain the peak combat efficiency displayed by the unit from Pusan to the Yalu river.

Private Moore entered the Army last May and completed basic training at Camp Roberts, Calif.

Lifts and Tows For Snow Country

Good tobogganing and sledding hills are now available at Lake Arrowhead and Big Bear Lake, it was reported earlier this week.

There are more than 70 rope tows and at least 9 chair lifts this winter in the easy to reach snow areas of San Diego, Los Angeles, San Bernardino and Riverside counties.

Chair lifts ranging from 2,000 to 5,800 feet in length will operate at various resort havens as soon as sufficient snow falls.

ALL THIS - -

AND FOOD TOO!

We admit it. Our food has personality. Our steaks are thick, and they're tender. We season them the way you order the nslip them gently into a broiler. No wonder we've attracted attention all the way across the nation. The same loving care is given our prime ribs, chicken, lobster, shrimp . . . or whatever you order.

THIS IS WHAT OUR NATION-
WIDE PATROS SAY:

(actual quotations as reported by our patrons)

NEW YORK

Why can't we have a place like Michael's on 5th Avenue?

CLEVELAND, OHIO

When we go to California we go to Michael's.

NEW ORLEANS

Michael's is more fun than the French Quarter

CINCINNATI

Just like the Terrace Plaze, only cheaper.

HOUSTON

They cook Texas steer steaks like they were born in Texas.

CORAL ROOM

A new colorful dining room decorated in tropical splendor. Your club meetings can have privacy and fast service here. Open every day.

FLAMINGO ROOM

Favored by our luncheon set because of its attractive decor. Away from hustle and bustle for business men's lunches. Discreetly darkened in evening it becomes a tropical paradise for diners.

ACAPULCO ROOM

Our new exotic room. A tropical garden at one end, a relaxing, intimate bar at the other. Two sections of snow white covered tables between these two attraction,
